ABOUT US

Established in 2004, Gateway Maritime Pvt. Ltd. (GMPL) has emerged as a leading Logistics service provider today. In this period, GMPL has entrenched itself well, not only on the Indian logistics scene but also at a global logistics service provider. GMPL has always been the leading LCL (Less than a Container Load) consolidator in India offering direct outbound and inbound LCL groupage services to and from major cargo destinations worldwide.

The success of the company stems from its commitment towards providing world class logistic services to domestic and international business. At GMPL, the customer remains the focal point in the formulation of services that can be provided. This emphasis has led to a constant innovation in the services that we provide which in turn have enhanced our performance standards

LOGISTIC SERVICES

We can handle custom clearance, door pickups, door deliveries with ease, offering our clients and partners an added advantage for offering door to door services including Ex Works pickups and Delivering Duty Unpaid / Paid.
